**CAIE & IBDP
FEBRUARY 2026**

Commencement of Term II Examinations

Our students are stepping into a season of focus as they demonstrate their academic growth and dedication throughout the second term.

Eco-Innovation with GoSharpener

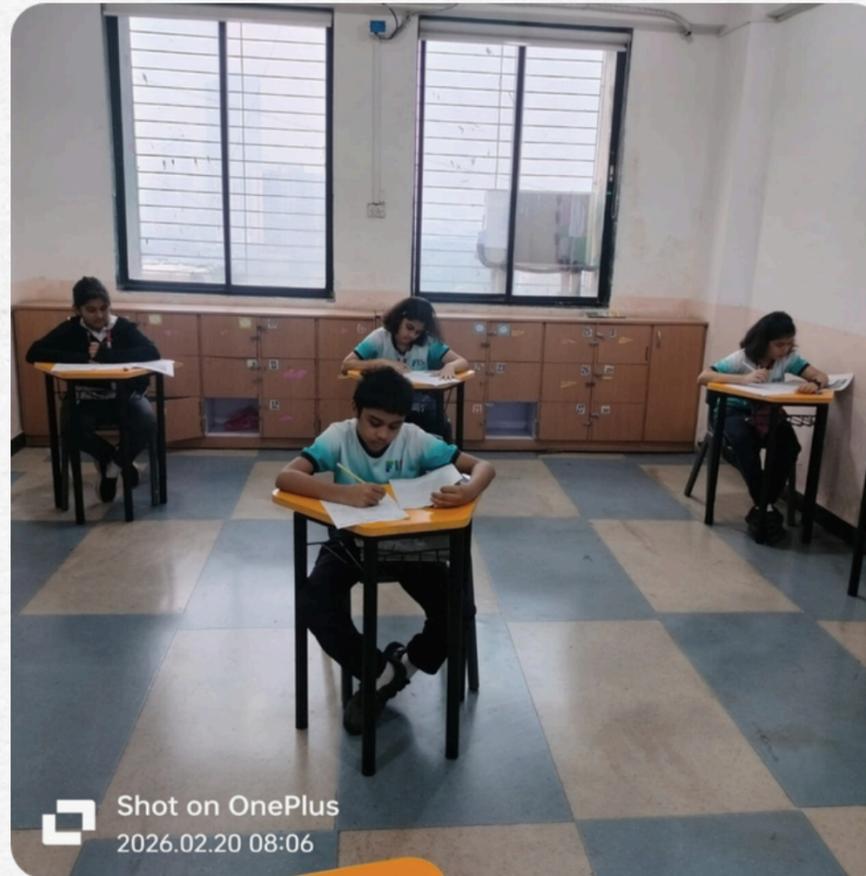

Students explored the art of sustainability in the "Reimagining Waste" session, learning how to turn everyday discarded items into valuable resources.

The Art of Narrative: Story Charting

Students dove into the mechanics of storytelling by planning and structuring story charts, turning their imaginative ideas into well-organized narrative masterpieces.

Neltas Final Round: A Stage for Success

Our students recently participated in the Neltas Final Round, showcasing remarkable talent and dedication as they competed at a high academic level.

Celebrating Mother Language Day

Our school honored the beauty of expression by promoting the importance of linguistic diversity and encouraging students to take pride in their native language.

The background is a light-colored, textured paper with various watercolor-style illustrations. There are several large, soft-edged shapes in shades of orange, pink, and yellow. A blue scribble is in the top right, and a blue wavy shape is on the left. A cluster of small brown dots is in the top left, and a series of orange lines radiating from a point is on the right. A blue spiral is in the bottom right, and an orange starburst is in the bottom left.

THANK YOU!
